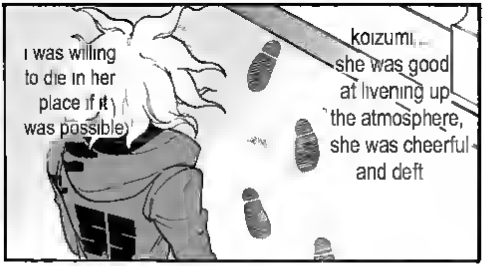
the fatal injury was a blow to the head from a blunt instrument
it was a single blow
there are no other visible wounds, nor any traces of drugs
"monokuma file" the victim koizumi's death was around 3pm
the body was found inside the beach house at chandler beach



koizumi... she was good at livening up the atmosphere, she was cheerful and deft
i was willing to die in her place if it was possible)

that we can make hope more bright!
but it's thanks to such a despair inducting event

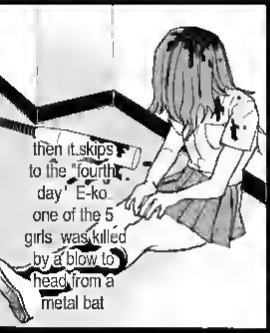
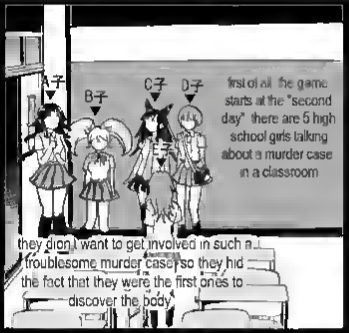
Ep.11

i have no choice then... i'll tell you

koma-eda
what is the game about?

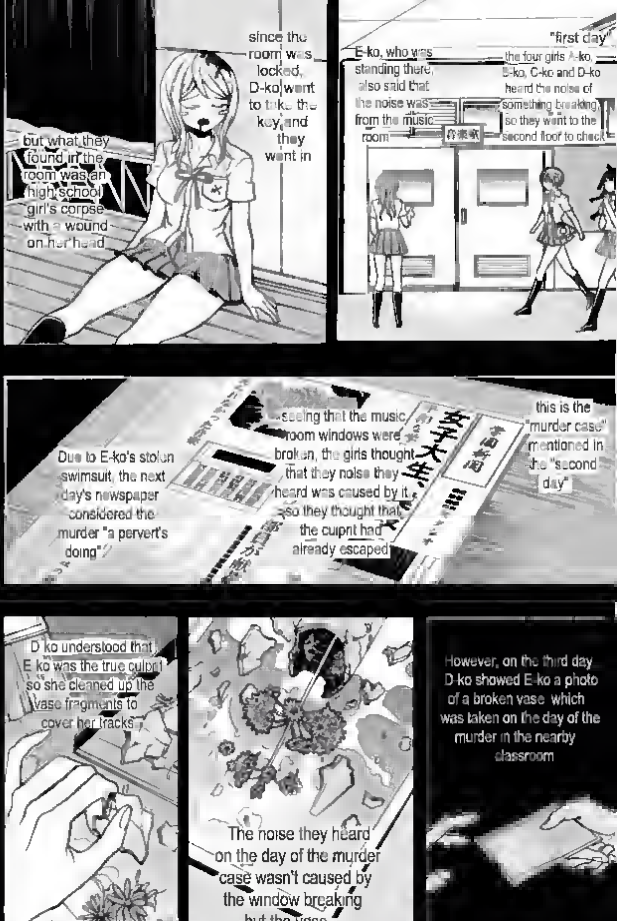


then it skips to the "fourth day" E-ko one of the 5 girls was killed by a blow to head from a metal bat



A子
B子
C子
D子
first of all the game starts at the "second day" there are 5 high school girls talking about a murder case in a classroom
they don't want to get involved in such a troublesome murder case so they hid the fact that they were the first ones to discover the body

mmh
if you input the secret command you'll be able to see the truth edition"
GAMEOVER
uwawa
what happened on the first and third day?



since the room was locked, D-ko went to take the key, and they went in
but what they found in the room was an high school girl's corpse with a wound on her head
"first day"
E-ko, who was standing there, also said that the noise was from the music room
the four girls A-ko, B-ko, C-ko and D-ko heard the noise of something breaking, so they went to the second floor to check
Due to E-ko's stolen swimsuit, the next day's newspaper considered the murder "a pervert's doing"
seeing that the music room windows were broken, the girls thought that they noise they heard was caused by it, so they thought that the culprit had already escaped
this is the "murder case" mentioned in the "second day"
D-ko understood that E-ko was the true culprit, so she cleaned up the vase fragments to cover her tracks
The noise they heard on the day of the murder case wasn't caused by the window breaking but the vase
However, on the third day, D-ko showed E-ko a photo of a broken vase which was taken on the day of the murder in the nearby classroom

first day and the third day are the missing link that contains the motive
which is the "relationship" between the victims
i'll never forgive her !!
that bitch.. what did she did to my sister
F-suke found the photo of the broken vase in a trashcan
F-suke
the second fuzuryuu should be F-suke's sister who has been killed
after finishing the game, in the credits, there's the cast's name: "tsuniki, kotzumi, saiongi, mioda, saitou, kuzuryuu, kuzuryuu..."
that's right !
even though i'm a bit late, congratulation for clearing the game,bro!!
if this game isn't fiction the "people involved" would surely be shocked after playing right ?
it...it isn't fiction ?!

however i'll give you the "prize for clearing the game" now
you won't give?
fuke hell i would!
upu pupu
there's one prize only and i gave it to kuzuryuu already
do your best with your investigation!
first of all i'll have to ask "them" about it

komaeda
what are you planning to do, why did you call us here?
.....
Welcome to Paradise
歡迎來到樂園
actually i called kuzuryuu too but he didn't come
maybe it's because i'm so useless i'm sorry
huh?
we could not come? didn't you say that we would be punished if we didn't come?
wasn't it because monokuma had something urgent to say?

uuh
th-that's enough! i'm leaving!
uwa it was a lie?!
uweeee you kidding us?
sorry, that's something i made up
don't make it sound like i'm your accomplice
even though i actually do have some-thing to ask you guys...
ah
could you leave after we've finished asking you questions?
right, hinata?
huh?
relatio-nship? like a gossip?
no
in a normal way...
and also... can you tell me what kind of relationship you have with koizumi?
well...
that "twilight syndrome murder case" did you play it?

my relationship with koizumi...
i meet her for the first time in that classroom with everyone...
after coming to this island, we occasionally talk a bit... that's all
m-
me too
mmh- i haven't played the game
but i promised mioda that i would go to swim with her already, so i declined her invite
mmh... seems that she wanted to speak with me about something so she came to tell me
eve-ryone?
seems that she wants everyone to gather at 2pm
speaking of mahiru... this morning, when i invited her to swim, she looked very depressed
mmh... something particular that happened with mahiru...
!
say, saionji...
she should have met you too
since koizumi went, i talked to the cast of the game
seems that we got some important testimony
since she talked with these two, it's probable that koizumi played that game too

yahahaha! she didn't come to meet me
that's right, I'm leaving-!
did she, saionji?
.....
then... see you later
ah! hey!
but
we don't have more questions to ask anyway well, let's just split
ah, saionji!!
she's suspicious
what the hell, deciding to leave by yourself again

heey! mono-kuma!
I'm coming I'm coming!
calling me here in such a rough way again
I have to investigate here. Can you open the door of everyone's cottage?
this should be the prize for cleaning the game
55

.....
go to play twilight syndrome murder case, after finishing the game, press down 5 times to see the truth.
after seeing that you should remember it.
what you did to my sister...
let's talk a bit about it
like i thought. koizumi did play the game

Gummi
Gummi
Gummi

but it's not a big problem
the only one i couldn't find is kuzuryuu's footprint sample

ko-
komaeda?

saionji
seems that there's no doubt that the footprints on the crime scene belong to "that person"
beach house

why are you here?
when did you come out?
oh my you're making that scary expression again
ah, sonia and pekoyama!
are you here to investigate the rooms too?
if you two want to get out of here, you should use me as a stepping stone
but it's so disappointing
to think that another murder case happened while i was tied
it's to make hope shine more brightly. I'm willing to do anything, that's why, feel free to kill me.

i have no intention to kill to start with
at least i won't approve your way to do things
komaeda
are you still going to say something like that?
i'll protect what should be protected and cut what should be cut
this is a swordsman's value. what i search for is justice
this is my reason to exist
.....
let's stop here for today

oh my!
hinata-kun and nanami
what a coincid-ence

ko-
komaeda!

as if! are you a stalker?!
don't say something like that. i've found out something interesting, i was going to tell you the results

i'll tell you if you kneel and beg me
the results...?
yep
the culprit left their foot-prints in the crime scene in the beach house, right?
if you want to know the asnwer, i suggest you to come to the beach house with me
haha i'm joking
.....
what?

nanami what do you think?
i'll go look for kuzuryuu to see if i can find some clues
... so i'll leave the beach to you
got it?!
.....
gonna say goodbye to hinata see you later
huh?
you actually wanted to investigate with her?
... don't say stupid things

sonia thinks that it belong to a serial killer that wears a hare mask to kill criminals "Hiraishi-shen"
there's a mask of a anime character nearby the corpse...
according to tsumiki's autopsy kaizumi died right after the blow
seems that the shower room can't be currently used
there's a 3m high window with iron bars in the room
there was a yellow gummy bear lying on the floor
in the messy closet, among the various items stored
Found it!!
